JUNIOR GOLF

JUNIOR GOLF

This year we will offer two sessions of junior golf during the summer. Each session will be limited to 12 kids. The cost is 100 per person.

SESSION 1	JUL 9-11
SESSION 2	AUG 20-22

Sessions start at 9am, 12pm, or 2pm depending on age. This is an introduction to golf at the most fundamental level, lets have FUN learning. Emphasis will be on fundamentals, etiquette and short game. Teach the kids to “get the ball in the hole”. Kids are encouraged to sign up for more than one session throughout the summer.

LET’S PLAY GOLF!

Its one thing to learn to hit a golf ball, but it is something quite different to compete and play golf. We are making it possible for those that are ready for the opportunity to play against others in a FUN and organized event. As space is available, we will get some groupings of juniors on the golf course as their skill levels improve. If you are available in the late afternoon and early evening, let us know. **VOLUNTEERS NEEDED!**

JUNIPER JUNIOR GOLF PROGRAM

The 2019 Junior Golf Program is just days away from starting. Sign-ups will start on June 1 with the first lessons starting on July 9th.

Juniper's Junior program is working towards preparing young golfers for a lifetime of recreation at what ever level they reach. We follow the approach that involves "Teaching & Coaching". With this philosophy, the fundamentals of the set-up [GRIP, AIM, STANCE, AND POSTURE] as well as an understanding of the [BALL FLIGHT LAWS], why did the ball do that? Then COACHING the junior to take it to the course, learning about the rules, etiquette, club and shot selections, and how to compete. Our goal is to get more juniors playing the game, develop friendships, exercise, compete, and challenge themselves.

With three groupings, the junior can experience learning the game with others of like age. This approach gives them a goal to reach the next level through skills challenges and playing opportunities through the summer golf season, possibly preparing them for bigger goals such as playing high school or even college golf.

All juniors that participate in any of our junior instruction programs will be eligible to play in our Junior Club Championship on July 27th. Our season ending Awards presentation will be held on July 27th as well, immediately after the the club championships.

We are highlighting our adult benefit to junior golf this year. Check this out... ADULTS PLAY FOR \$5. The deal is you pay \$5 for your round and the junior plays free. This deal is good any day of the week after 5 PM, provided space is available. What a great way to spend some quality time with your family.
