

JUNIPER GOLF COURSE • LADIES GOLF CLUB

MEMBERSHIP

Any lady golfer may join the Juniper Ladies Golf Club. We have approximately 60 members in our ladies club. We encourage all skill levels. Our membership fee is \$65 the first year and \$60 annually thereafter. This includes a hole-in-one fee of \$5. Auxiliary memberships are available for \$35. All members are encouraged to sign up early to assure that your information is listed in the annual handbook. Payment must be made by check to JLGC. Checks should be left in the pink mailbox located in the ladies locker room along with the new member form if applicable.

MEETINGS

The opening breakfast and the closing breakfast are the regular annual meeting days for our organization. Typically, the first Wednesdays of each month are meeting days with a shotgun start after the meeting. Meetings start at 7:45 AM and the shotgun is targeted for 8:30 AM.

GOLF SEASON

The ladies golf season will start on the first Wednesday in April and will end on the last Wednesday in October. The official ladies day play will take place on Wednesday of each week. A handbook is printed each year that includes the weekly schedule as well as our roster and information pertinent to the ladies activities.

CONTACT

The Ladies Club officers are listed on the bulletin in the ladies rest room. Our current president is Dani Joplin. Her contact phone number is 541-~633-3494 and her email is: danijpln@yahoo.com.

DAILY PLAY GAMES

Each Wednesday, a game of the day will be played. The formats vary and are listed in the ladies handbook. Sign-up sheets for each week are posted on the bulletin board in the ladies restroom. Players must sign up by the prior Sunday or may call the golf shop for late entry. The weekly format and pairings are designed to provide fun, variety and camaraderie.

A pay-out will be applied to the weekly games. Winners will be determined in flights or teams based upon the weekly format. In addition, closest-to-the-hole, longest drives and/or accurate drives will be awarded each week. Chip-ins and birdies will also be awarded each week. Weekly results can be seen on the bulletin board in the ladies restroom and in emails sent out by the golf governor and/or president. The payout monies will be awarded at the closing breakfast.

An eclectic card will be kept from each weeks play for each member of the ladies club to calculate a year-end pay out. The eclectic results will be calculated in four different flights. The more you play, the better chance you have to win.

9 HOLE GROUP

We currently have a 9 hole group that plays on Wednesdays. The contact person is currently JoAnn Hare. (541-548-5648) The women that play are not playing organized games but do qualify for birdie payments, if they are a paid member of the Juniper Ladies Golf Club. Some keep score, some don't. Auxiliary members are eligible for birdie and KP payouts but not game payouts.

HOLE-IN-ONE

Five dollars of the ladies joining fee is put into a hole-in-one pot. To count as a winning hole-in-one, the ace must happen at Juniper Golf Course during the ladies golf season. To be an eligible ace, another golfer in the group must witness the ace. It does not have to occur on a Wednesday games day but it has to occur during the ladies club season.

DRESS CODE

Appropriate golf attire is required at all times on the property of Juniper Golf Course.

Women: Golf shirts and sport shirts with or without a collar and with or without sleeves (material must cover shoulder) are acceptable attire. Halter tops, tops with narrow straps or that expose the midriff, swimwear, cut-offs, bike shorts, and gym shorts are not appropriate attire.

BIRDIE BOARD

On game days and tournament and event rounds, during which the golfers play their own ball from tee to holing the putt, a woman making a birdie on any hole will be acknowledged. Write your birdies on your card. At the Closer, golfers with the most birdies will be recognized for their "birdies".
